- ***You may bring your own cart (it must have legal tires for golf course turf) but the price is the same. If you plan on having a spouse or friend ride with you, you MUST bring your own cart. Please let us know if you will be having a rider or bringing your own cart at the time you sign up for this event so we can prepare for carts, beverages and food.***
- ***Lunch and beverages are included in your entry fee. These are for the GOLFER ONLY! Due to the increase in riders in this event each rider must purchase an armband for \$30 for food and drinks. This will be the only way riders will be able to receive food and drinks. The armband is good for both days. These are preferred to be purchased at time of entry but can be purchased at check in.***
